

Get To Know: The Reentry Coalition of New Jersey

ABOUT THE COALITION

The Reentry Coalition of New Jersey is a multi-agency 501c3 non-profit organization committed to helping individuals exiting the criminal justice system successfully reenter society and establish themselves as healthy, productive New Jersey citizens.

Originally incorporated in the state of New Jersey in 1990, our Coalition was formed to promote support for community corrections programs and advocacy for individuals returning to the community from prison.

For the past 30 years, we have done just that – providing advocacy to those exiting the criminal justice system, guidance to individuals on the next step in their life’s journey and supportive services for their reintegration back into the community and continued, long-term success.
